

Indiana Virtual School Annual Report 2011-12

*Authorized by
Daleville Community Schools
2011-12 2012-13 2013-14*

- INVS is a virtual charter serving students in grades 6-12 & was in its first year of existence during the 2011-12 school year
- In it's first year, INVS served 22 students, most of which were in court ordered treatment facilities
- The "typical" INVS student enrolled mid-year, stayed from 60-90 days, and upon dismissal from the facility enrolled back in their home school

Indiana Virtual School

- INVS is a virtual charter serving students in grades 6-12 & was in its first year of existence during the 2011-12 school year
- In it's first year, it served 22 students, most of which were in court ordered treatment facilities
- The “typical” INVS student enrolled mid-year, stayed from 60-90 days, and upon dismissal from the facility enrolled back in their home school

Standardized Test Results

- During the 2011-12 school year, only one (1) student in grades 6-8 was not in a treatment facility and available to take the ISTEP. He passed all sections.
- There were no students who took the ECA's during the 2011-12 school year.
- Going forward, MOU's are in place with the treatment facilities giving INVS access to the students for state testing.

Growth & Improvement Data

- Data not available due to:
 - Size of enrollment (22 students)
 - Average enrollment of less than 90 days
 - Low number of students participating in state testing
